

"Making Spaces A Reality"

FOR IMMEDIATE RELEASE

## ***Guam Small Business awarded 2022 HON Standing Ovation Award***

**ASAN, GUAM- May 8, 2023** - M80 Systems (M80), a Women Owned Small Business in Guam has made great strides throughout 2022. The locally owned small business was recognized with a prestigious award from a top US vendor and brand.

HON, a leader in workplace and educational furnishings celebrates the success of M80 Systems at the 38th annual HON Team Up recognition ceremony. Winners from across the United States provide organizations and schools with HON product solutions with a commitment to serve the communities and make their spaces work.

The annual awards program was hosted in Dublin, Ireland in the Christchurch Cathedral, a space celebrated for its excellence and history; making it the perfect venue to acknowledge success and partnership.

"The Team Up awards program celebrates the shared success and the exceptional commitment to the HON brand with our top-selling Dealer Partners." explains Ric Andersen, Vice President of Sales, "We recognize their achievement and appreciate the leadership they bring when designing work and learning environments."

HON would like to recognize and congratulate the efforts M80 Systems made to achieve this award.

**2022 HON Standing Ovation Award:** The Standing Ovation award is voted on by key members from field sales, customer support and leadership throughout the HON organization who work with all our trade partners day-in and day-out. Appreciated by HON members, favored by customers, a good corporate citizen and respected within their community are just a few standout ways to describe this dealership. Congratulations M80 SYSTEMS.

---

"We were taken by surprise. As small business owners coming from our beautiful island, which is modest in size compared to the other markets - receiving an award was something we did not expect." said Jessica Leon Guerrero, President of M80 Systems. "We recognize and are grateful for the hard work and the positive impact our team and company have in our business community, local community, and now on a national level."

"It is truly a gratifying experience and a proud moment for M80. We express our sincere thanks to our business partners, supporters and our team. We attribute this award to them." said Carlo Leon Guerrero, Vice President and General Manager of M80 Systems.

M80 Systems is locally owned, and a Woman owned Small Business committed to *Making Spaces A Reality*.
